

to the Administrator. It shall be submitted through the appropriate Chief Counsel or General Counsel and the appropriate Director of a Field or Component Installation or Official-in-Charge of a Headquarters Office, who will transmit the request to the Administrator with comments and recommendations on the proposed waiver. The determination required by the statute will be made only by the Administrator or Deputy Administrator in the case of these employees.

(3) All other employees will forward their requests for a waiver through the appropriate Chief Counsel or General Counsel to the appropriate Director of a Field or Component Installation or Official-in-Charge of a Headquarters Office. For Headquarters employees, the Associate Administrator for Management is authorized to make the determination required by the statute. For employees at an installation, the Directors of Field and Component Installations, and their Deputies are authorized to make the determination required by the statute. This authority may not be redelegated.

(4) A copy of waiver granted by the Director of a Field or Component Installation shall be forwarded to the Associate Administrator for Management, NASA Headquarters.

§ 1207.201 Scope of subpart.

This subpart provides guidance to former NASA government employees who are subject to the restrictions of Title V of the Ethics of Government Act of 1978, as amended, and who want to communicate scientific or technical information to NASA.

§ 1207.202 Exemption for scientific and technological communications.

(a) Whenever a former government employee who is subject to the constraints of post-employment conflict of

interest, 18 U.S.C. 207, wishes to communicate with NASA under the exemption in section 207(j)(5) for the making of a communication solely for the purpose of furnishing scientific or technological information, he or she shall state to the NASA employee contracted, the following information:

(1) That he or she is a former government employee subject to the post employment restrictions of 18 U.S.C. 207 (a), (c), or (d)—specify which;

(2) That he or she worked on certain NASA programs—enumerate which; and

(3) That the communication is solely for the purpose of furnishing scientific or technological information.

(b) If the former government employee has questions as to whether the communication comes within the scientific and technological exemption, he or she should contact the General Counsel, the designated agency ethics official.
